It’s gear-on for The 2015 International Travel Goods Show. Travel goods manufacturers are on their game with carry-ons, bags, briefs, totes and luggage sets, not to mention an array of accessories, all designed to make travel faster, safer, cooler, lighter, brighter — in general, better all the way around.

Wish for products that go the extra mile and anticipate multiple travel needs? How about a spinner with a shoulder strap or a baby bib that doubles as a teether? You’ll find these innovations and plenty more at The 2015 International Travel Goods Show at the Las Vegas Convention Center this March.
