VN Bags Launch Slim Laptop Backpack

Functional, compact design is ideal for those who travel light

COLUMBUS, Ohio – VN Bags announced the release of the Slim Laptop Backpack, designed with light travelers in mind.

The backpack can securely hold a laptop or tablet with up to a 13.1” display and includes three zippered outer pockets for extra storage, yet still appears slim and compact. Featuring removable charger storage under the laptop to prevent scratching and silky soft Korean Velvet material on the interior of the bag. This backpack is the perfect traveling companion for those who don’t want to feel weighed down.

Made of a strong Nylon fabric and water-resistant wicking material, this bag is highly durable and secure. The backpack also offers molded, cushioned shoulder straps and a design that maximizes air flow and temperature control for all-day comfort.

The VN Slim Laptop Backpack will be available in a variety of colors.

DIMENSIONS: 10” x 2” x 18”
