The 2016 Mother's Day Gift Guide Features Industry Leading Travelpro® and Atlantic® Luggage

-Ensure Life is a Trip for your Loved Ones with Coveted and Creative Gifts-

Boca Raton, FL – April 15, 2016 – Travelpro® and Atlantic® Luggage, two of the most prestigious brands in the travel industry, are proud to present the much-anticipated '2016 Mother's Day Gift Guide.' Finding the perfect gift for your wife or mom can create anxiety every Mother's Day, which is why Travelpro and Atlantic make your life easier with luggage selections that the special women in your life will delight in not only on May 8th but for years to come.

The first two pieces featured in the Guide are the creative and value-conscious **Atlantic® Unite™ 2 21" and 25" Spinners**, available in durable black and blue fabric colors. You will be amazed by these offerings from the market leader in lightweight, affordable luggage. These Unite 2 Spinners have design innovations such as the Link2Go™ System which easily connects luggage together with Velcro straps, so you can push two pieces with one hand.

Atlantic goes the extra mile with the addition of an external USB port and integrated battery pouch in the Carry-On Spinner model, which provides convenient access to power your phone and tablet on the move. Masterfully versatile, the affordable Unite 2 collection gives you a choice of ideal gifts for family travelers who need an extra hand and electronic devices that are always available for immediate use.

"The Unite 2 luggage, like all items featured in our 2016 Mother's Day Gift Guide, has value packed into every stylish piece -- such as tapered expansion which adds up to 2" of room while increasing stability, durable crash protection and 360 degree spinners which roll effortlessly," said Scott Applebee, Vice President of Marketing for the Travelpro family of brands which includes Atlantic.

Next on the list is the **Atlantic Ultra® LITE 3 29" Softside Spinner**, perfect for women looking for lightweight luggage at affordable prices. Made with water-repellent polyester fabric and high-mileage spinner wheels like our more expensive luggage, this attractive piece is built to go the distance. Featuring expansion capabilities for extra packing, Atlantic Ultra LITE 3 also comes with a 10-year warranty, convenient exterior pockets and comfortable carry handles. It is available in colors she will adore – turquoise, purple and black.

The ultimate combination of lightweight strength and exceptional value, the **Atlantic Ultra® LITE Hardside 25" Spinner** was chosen to enchant your special someone. Feather-light and amazingly durable, this Spinner, like in all our more expensive collections, features expansion capabilities for extra packing, high-mileage Dual Wheel Spinner wheels and the impact of a protective hard shell. A stylishly textured finish resists abrasion over the long haul. The Atlantic Ultra LITE Hardside comes with a 5-year limited warranty and is also available in turquoise, purple and black.

The next choice for consideration in the '2016 Mother's Day Gift Guide' is from Travelpro, the luggage of choice for pilots and flight crews -- the **Crew™ Executive Choice™ Women's Business Tote**. Cleverly designed for today's business and frequent travelers and part of a premium collection that has garnered stellar reviews, this piece integrates fine leather accents and durable fabrics with Travelpro's outstanding craftsmanship. The attention to detail, style and functional efficiency are a reflection of Travelpro's commitment to business travelers worldwide.

It makes a bold statement with features that include a padded sleeve for laptops, as well as a separate built-in tablet pocket and business organizer plus a removable cord pouch that provides efficient storage of cords and cables. An RFID-blocking pocket keeps credit cards and passports hidden to protect against loss and identity theft.

For luggage without compromise, Travelpro redefines premium travel with the **Platinum® Magna™ 2 Rolling Spinner Tote**. Handsomely crafted with superior fabrics and genuine leather accents, this Tote represents the pinnacle of fashion, intelligent functionality and design innovation. The result is a truly luxurious roll. Backed by Travelpro's Worry-Free Warranty, Platinum Magna 2 ensures a lifetime of satisfaction.

When the Platinum Magna 2 Spinner Tote with MagnaTrac™ wheels is pushed, magnets instantly align the wheels to roll straight in the direction you want to go. Most Spinner luggage drifts or pulls to one side or the other, putting strain on your shoulder, arm, wrist and hand. Platinum Magna 2 tracks effortlessly wherever you want to go.

Finally, our Guide offers the ultra featherweight and travel-tested **Travelpro® Maxlite® 4 22" Rollaboard®**. This piece features qualities and strength that embody the look and quality of much more expensive luggage and weighs only 6 pounds. Packed with innovations like tapered expansion and a full bottom tray for added stability, Maxlite 4 is tested to our most demanding standards and backed by our reassuring Lifetime Warranty.

With water repellent coating inside and out and high-performance ball-bearing wheels which move effortlessly, this Rollaboard makes travel easier.

You can't go wrong selecting one of these pieces from Atlantic or Travelpro luggage for those you care about this Mother's Day. They are crafted to delight and amaze your favorite mom, both in the airport or at the hotel.
