## **ROYCE 'Powered Up' Power Bank Charging Leather Laptop Backpack**

Designed in New York City and handcrafted in ROYCE's artisanal workshop, this luxury backpack is a testament to our unrelenting commitment to aspirational quality, ethical construction and innovative functionality.

Boasting a spacious interior with a padded 15" laptop compartment, a tablet slip pocket, and an accessories pocket, in addition to two zippered external pockets, this backpack is built to withstand the test of the executive commute or the exhilarating journey.

Flannel fabric with water resistant quality is juxtaposed against rich pebbled genuine leather that coalesces into its contemporary charm, one that is reaffirmed by a subtly situated dual-port power bank charger for phones and tablets.

**Model No.:** 686-BLGY-4

**Size:** 15.5" x 13.5" x 6"; 1.5 lbs.

**Laptop Compartment:** 15" x 12" x 4"

**Material:** 60% Flannel Microfiber; 40% American Pebbled Genuine Leather

**Power Bank Details:** Compatible with all smart phones, tablets, iPads, and e-readers; lithium polymer charging station boasts an impressive capacity of 6500mAh and provides sufficient power to charge two USB compatible devices simultaneously. The power bank is empowered with maximized charging efficiency due to world class circuitry and chipsets that work in conjunction with a premium power cell that has up to 90% energy conversion efficiency and up to 1000 charge cycles.

**Retail:** \$350

**Minimum Order Quantity:** 1

**Monogramming & Imprinting:** Initials, full names & corporate logos can be foil stamped or blind embossed on this backpack where the ROYCE logo is currently stamped
