

Eagle Creek Introduces The All-New Expanse™ Luggage Series

Versatile designs and the same legendary durability at a serious value

San Diego, Ca. (January 18, 2017)– The original adventure travel gear outfitter, Eagle Creek designs and manufactures travel gear to completely outfit travelers with durable gear for any journey. The new Expanse™ Collection enables the independent world traveler and the family alike to take to the road with confidence and organization.

Built for the customer who has way more to think about than just their luggage, the Expanse Collection provides exceptional value, combining Eagle Creek’s legendary durability with thoughtful experience-based organization, travel features and a price that leaves travelers with a skip in their step and money in their wallet.

A clean exterior cleverly hides the embedded technology, including, a Central Lock Point and Secure-Zip Toggles™ for pick-pocket protection, a scuff resistant armor, water repellent fabric, reflectivity, and lockable, self-repairing zippers on the main compartment.

Offering something for every member of the family, the Expanse Collection includes 4-wheel Uprights, 2-wheel Uprights, a Tote, Convertibles, Flatbeds, Wheeled Drop Bottom Duffel and a max-carry-on sized Hauler Duffel.

Helping new and experienced travelers alike become more efficient, less stressed and more organized, while maintaining a stylish look, the Expanse collection compliments all types of adventurous travel.

All Expanse™ styles are covered by Eagle Creek’s legendary No Matter What™ Warranty.
