Spokane, WA, April 3, 2018–

*"We are pleased to announce the opening of our website, [www.travelbadger.com](http://www.travelbadger.com). We hope to provide a convenient one stop shop for any traveler getting ready to head on a trip. Our large variety of inventory will help any traveler find what they need without leaving the comfort of their own home." -Nikki, CEO*

Travelbadger's website is streamlined to make shopping quick and easy. The site is broken down by male, female, children's and organic TSA complaint sized toiletries. You can choose between multiple options of pre-packaged toiletry kits or design your own with tons of a la carte options. In addition, they also provide many other types of travel goods. Whether looking for games to keep you busy on a long trip or a portable battery charger to make sure your phone doesn't die midair, you will find it on the Travelbadger website.

"Travelbadger's pre-packed toiletry kits have the perfect tagline: Easy. Peasy. Packing. It really is easy peasy packing with Travelbadger." – Johnny Jet, Travel blogger
