

# All Things Travel

The best travel gear enhances the journey – whether it’s a 20-minute run to the store or a month long globetrotting trek. These are some of the newest travel solutions – the items travelers rely on every time they leave the house.

The Geo Chic Collection of lightweight and expandable cases by AIMEE KESTENBERG/HERITAGE TRAVELWARE features 8-wheel spinners, high-strength geo-molded ABS exteriors with brushed texture and tear-resistant fully lined interiors. Cases offer a roomy main compartment with a side zipper pocket for smaller items, a front lid with large U-shaped zipper pocket and an under-the-lid section with three zipper pockets. MSRP: \$200/20" carry-on; \$260/24"; \$300/28"

DELSEY PARIS' lightweight DELSEY Belfort DLX Collection features a dual-position trolley system for exceptional maneuverability and three-point locking system with an integrated TSA-accepted lock among its many amenities. It comes with a bonus tri-fold organizer for cosmetics and toiletries. This case retails for a sale price of \$199.99.

Never miss a chance to shine bright with Sparkle, a collection glammed up with rose gold details, from itGirl by IT LUGGAGE. Fit a few extra pairs of shoes or holiday souvenirs in your case with the handy expander. For added security the case comes with a fixed TSA-acceptable lock. MSRP: \$240/cabin; \$280/medium; \$300/large

WRIGHTSOCK's Double Layer Merino CoolMeshII Crew is a winter travel sock that features patented blister prevention technology with a luxurious merino wool outer layer. This is the only sock that captures the benefits of wool, without the negative affects of direct wool-skin contact. Socks are available in gray/black, gray/smoke and gray/fire. MSRP: \$18

TALUS gives car commuters a way to arrive wrinkle-free to their destination: a Car Coat Hook that holds a coat or jacket neatly on a durable, solid steel hanger. The tension mount bracket fits between headrest posts, and it sits close to the seat for passenger legroom space. The hook folds down for storage when not in use. MSRP: \$17.99

With three built-in massaging nodes, the 3D Inflatable Massage Neck Pillow with Patented Pump from TRAVELMALL SWITZERLAND features a remote control with timer and 3-level massage function, adjustable front sliding toggles for support and adjustable airtight inflation that conforms to the contour of a user's head and neck. The pillow runs on USB power and has foldable and smart deflating functionality. MSRP: \$77

Block out the noise and stress of travel without earbuds digging into your ears or a tangled cord in the way with ACOUSTICSHEEP's award-winning SleepPhones® Effortless™ Bluetooth®-enabled headphones. Tucked inside a soft headband and complete with induction charging technology, they feature built-in volume and play/pause controls; superior sound quality with eco-friendly, lead-free electronics; and removable speakers in a hypoallergenic, machine-washable headband in proprietary, breathable SheepCloud™ fabric. MSRP: \$149.95

EAGLE CREEK's RFID Travel Zip Organizer holds everything safely in one place: credit cards, cash, coins, ID – even itineraries and passport or smartphone. An RFID Passport Sleeve protects personal info and a lockable zip-around closure provides protection for contents. A quick-grab handle makes for an easy and convenient carry. Collection colors include black/charcoal and graphite/amethyst. MSRP: \$39.95

RICARDO BEVERLY HILLS' tech-friendly Skyway Travel Teck Backpack offers multiple carry options and plenty of organizing features. With a water-resistant and extra-durable 500D polyester exterior, this carry-on-friendly bag includes a lined laptop pocket, padded tablet pocket and large zippered pocket. Faux suede trim adds polish and a 1960s heritage-inspired plaid perks up the interior. MSRP: \$140

With Trackimo 3G Guardian GPS Tracker, Earth Gear's lightest-to-date 3G GPS tracking device, know the status and location of your belongings at all times, wherever you might be, thanks to patented technology and revolutionary GPS/GSM/Wi-Fi hybrid tracking. It comes with one worldwide SIM card, one rechargeable battery (built-in) and a USB charging cable. MSRP: \$240

Meet the Morpher, an ingenious, award-winning folding cycling helmet whose clever patented technology ensures it not only offers fully safety-certified (CPSC) head protection, but it also takes up minimal space when folded flat. It opens and closes in a snap, looks great and comes in five different colors – perfect for commuters, students and anyone who cycles. MSRP: \$149

The CABIN ZERO ADV DRY Collection features two different smaller waterproof bags: the ADV DRY 11L Cross Body and the ADV Dry 30L Backpack. Both have an inside pouch with RFID-blocking security pocket, detachable with a Velcro® brand fastener, and are packable into the same pocket. Ultra-light at 230g and 310g respectively, both bags are perfect for tucking into a CabinZero inflight bag. MSRP: \$55/11L; \$70/30L

The LOCTOTE AntiTheft Sack 3L is a packable, portable travel safe that locks shut to any fixed object to protect essentials when you can't have your eye on them. Anti-theft features include slash-resistant fabric, secure locking system and an RFID-blocking pocket. Throw it in your luggage, clip it to your backpack, or carry it in the palm of your hand. MSRP: \$59

Photographed at La Catrina in Tubac, AZ

MCKLEINUSA's Pasadena in Nano tech-light nylon with calf detailing is a 20" nylon carry-all duffel with a spacious, fully lined interior, featuring a tablet pocket with an organizer for business cards, pens and accessories, plus secure zipper pocket. An easy-access, secure back zipper pocket and a removable and adjustable nylon strap with leather shoulder pad round out the features. MSRP: \$140

Olympia USA's Comet Collection (21", 25", 29") has all the amenities battle-tested travelers expect – patented hidden compartment, exterior utility hook, bottom grip and expandability – in a sleek polycarbonate/ABS package atop eight noise-reducing jumbo wheel spinners. The lined interior has a detachable clear vinyl 3-1-1 wet zip pouch and a divider that creates two separate compartments. MSRP: \$600/3-piece set

G-RO's Check-in Classic, a large-capacity checked bag/duffel, is equipped with GravityRoll™ Wheel Technology and constructed with ultra-durable ballistic nylon. An expansion system and thoughtful organizational compartments make it a breeze to pack for any trip and a unique form factor allows it to fit in all kinds of tight spaces, including trunks and small hotel rooms. MSRP: \$499; \$749/carbon fiber

Designed to meet the demands of business casual and everyday use, the KCR Pack Strapper Triple Compartment 17" Laptop Backpack in 1680D polyester from KENNETH COLE/HERITAGE TRAVELWARE comes equipped with TECHNI-COLE™ RFID-blocking technology; padded laptop and tablet pockets; and an array of interior and exterior organizing and accessory pockets, plus a zip-down organizer with room for business essentials. MSRP: \$200

Get double packing convenience with TRAVELERS CLUB Kensie 2-piece Spinner Set, featuring a 20" carry-on and 20" travel duffel in ABS with PC film. The carry-on is designed with a trunk-style body with corner guards and gold accents and a double 8" x 8" wheel system; the duffel includes a padded top grip handle with dual front accessory pockets and fully-lined interior with accessory pocket. MSRP: \$500

The 3-piece Rockland Horizon Luggage Set (20", 24", 28") from FOX LUGGAGE is lightweight and durable in polycarbonate/ABS. Featuring eight multidirectional spinner wheels that rotate 360 degrees for easy maneuverability, this luggage allows you to pack more while avoiding the excess weight surcharges imposed by the airlines. Additional features include a modern internal chrome push-button telescoping handle and interior mesh, zip and elastic pockets. MSRP: \$480

A. SAKS LUGGAGE introduces the 22" Carry-on Folding Duffel with shoulder strap that comes with a fully waterproof pouch that the duffel tucks neatly into. When the pouch is not being used to store the bag, use it for cosmetics or suntan lotion for a day at the beach or for stashing phone and iPad to keep out of the elements. The pouch is fitted with inside pockets. MSRP: \$39.99

Travel light with all your essentials safely stowed in CABRELLI GROUP's CharlieBravo Small Tote. Made of poly nylon/PVC trim, the bag has a handy front zip pocket and an inside pocket. It comes in light gray (shown) and charcoal. MSRP: \$20

From the JACK GEORGES Voyager Collection is a new Belt Bag (8 1/4" x 5 1/2" x 1 1/2") that lets you travel around town with your hands free. Made from Jack Georges' popular hand-stained buffalo leather, this belt bag features soft construction and an adjustable belt, offering flexibility, practicality and convenience anywhere you go. MSRP: \$148

This contemporary Hip Belt Fanny Bag is ROYCE's rendition of a timeless classic. Handcrafted in durable but supple full grain genuine leather, it is softly padded in the back and features an accessible front pocket, zip-top closure and interior smartphone pocket. Additionally, it transitions to a crossbody by adjusting the strap. It comes in black, pink, blue and red. MSRP: \$200

Introducing PIEL LEATHER's Large Travel Four-Pocket Waist Pack (10" x 6" x 2.5") in full-grain cowhide. Featuring an ample lined compartment with an inside zippered pocket, front medium compartment and front zip-pocket for keys or a phone, it also includes a back zippered pocket to hold valuables such as passport and money. The waist strap has a side-release buckle and an adjustable leather strap. MSRP: \$99

LODIS' Audrey Under Lock & Key RFID Passport Wallet keeps all your travel essentials – including a mobile boarding pass – in one compact wallet. Chic and sleek, it has dedicated spots for smartphone, passport, cards and cash, plus boarding pass or other paperwork. A timeless beauty in smooth grain Italian leather, it comes in vibrant and traditional color options. MSRP: \$78

Whether zipping about town on a bike or traveling around the world, CLAVA's Sonoma Ziptop Smartphone Crossbody (4.5" x 7.25" x 0.5") will hold all your key essentials tidily in place while keeping you hands-free. The adjustable, detachable leather strap transforms the crossbody into a pouch for stowing and organizing valuables that can be carried in a larger bag. MSRP: \$85

Protect your shades – and your valuables – with the Catherine Malandrino Sunglass Case with RFID Wallet from MIWORLD ACCESSORIES. The wallet contains one main compartment, two card slots, a zippered pocket for coins and two pockets for money and papers. A sturdy but flexible eyewear holder at the bottom of the main compartment protects and holds glasses firmly in place. MSRP: \$13.99

Perfect for the girl on the go, HANG ACCESSORIES' 2-piece Journal & Silicone Luggage Tag Set lets travelers jot down their packing lists and must-see destinations in the travel journal and dress up their luggage with the fun, coordinating silicone luggage tag. The set includes one lined journal and one silicone luggage tag. MSRP: \$14.99

The perfect companion for any journey, the cosmopolitan Pebble Grain Urban Backpack (16.5" x 12" x 6") is handcrafted in ROYCE's signature full grain leather and juxtaposed against heather gray flannel. It is a simple yet refined backpack that integrates urban aesthetics with tremendous functionality. MSRP: \$275

Photographed at Casa Maya de Mexico in Tubac, AZ

AMERICAN TOURISTER's two-piece iStack travel system in heather gray/black (20" spinner (shown) and 25" spinner) allows travelers to stack and attach the cases together for one-hand travel. Cases have custom co-molded zipper pulls, screen-printed logos and handles, double air flow spinner wheels and a push-button locking handle. The interior is geared up with an array of organizing pockets. MSRP: \$229.99/2-piece set

The TARGUS 15.6" Work + Play Fitness Backpack carries laptop, work accessories and sports gear in one bag, with a dedicated tablet and laptop compartment, detachable laundry bag with portable washbag and a lined and ventilated front compartment for work or gym shoes. In black/gray, it unzips completely open to hang in a locker with a built-in hook. MSRP: \$79.99

Designed with a new coated poly material whose finish is abrasion-, UV- and water-resistant, GENIUS PACK's G4 Carry-on Spinner offers four 360° frame-injected spinner wheels, patented Laundry Compression Technology®, think-free packing system and Integrated TSA-accepted Portable Charger. It is offered in four sleek colors: coal black, red, titanium and navy. MSRP: \$298

The Parklane 15" is the perfect answer to traveling smart. Designed to take on board short flights, this bag with an RFID-protected pocket from KNOMO LONDON offers plenty of organized space for a long weekend away and four easy-roll wheels for gliding through your journey. It is available in black and navy. MSRP: \$349
