New Addition to the Travel Category

THE CABINZERO CLASSIC PRO 42L TAKES THE EXISTING CLASSIC BAG to a new level with added features, including hide-away straps, trolley slip, thicker padding on the back and straps, sternum strap, bottle/umbrella pocket and a laptop and organization compartment at the front. Sporting a refined, modern aesthetic and available in four colors, bags come with an integrated lost and found tag and carry a 10-year warranty that can be upgraded to 25 years free of charge when registered at the website. MSRP: \$150. For more information, visit cabinzero.com.

Also available in 32L size, Classic Pro is perfect for the serious traveler/backpacker.

Portable Sleeping Pad

IT MAY NOT BE A FULLY RECLINING BED IN FIRST CLASS, BUT THE Ultra Travel Mat™ by thermalay is definitely coach plus. It unfurls to create a whole-body sleep surface, with 60 inches of two-inches of high density foam with a memory foam neck pillow attached for a much more comfortable experience on long-haul flights and train rides. The outer cover comes in six patterns as well as black PVC non-slip cover. The portable mats can be rolled up or folded and used as a cushion and also act as a barrier between you and the thousands of passengers who have occupied the seat before you.

The original Travel Mat™, made from cushy egg crate-style foam mattress in a breathable bamboo cover was selected as the second place winner of the Product Innovation Award at The 2018 Travel Goods Show. The original Travel Mat™ is available with a washable gray PVC non-slip outer cover. MSRP: \$89.95/The Ultra Travel Mat; \$69.95/The Standard Travel Mat. For more information, visit thermalay.co.nz.

The Ultra Travel Mat makes it possible for travelers to feel like they're lying down – in coach.

Polar Bears and JetPacks

HEYS ADDS SIX NEW DESIGNS, INCLUDING ANIMALS and fruit, to its popular 2-piece Travel Tots Luggage and Backpack Set (MSRP: \$159.99): Blue Jay, Duck, Polar Bear, Pineapple, Turtle and Unicorn. These kid-friendly cases are lightweight – 3.5 lbs. for the luggage and 1.2 lbs. for the backpack – and durable in ABS/polycarbonate. The carry-on's clear inline skate wheels with metal bearings are designed to be quiet, super smooth and protruding to keep the case elevated off the floor. The luggage has a colorful, fully lined interior with double interlocking straps as well as a zippered divider for internal organization.

Kids can take their Heys' Travel Tots Luggage and Backpack Set to school, on play dates or field trips and as an ideal carry-on for the next family vacation.

Heys presents the patented JetPack compressible hanging packing shelf, lightweight yet strong in durable 420D polyester. Hang up the JetPack to its full length and pack the six variously sized and shaped shelves with everything needed for your trip. Once finished, simply drop JetPack into your luggage – the collapsible shelves will fall into one another. Further compress the shelves and tighten the Jetpack with the compression straps. When you arrive at your destination, hang up JetPack in your hotel closet and unpack in just seconds by releasing the compression straps and expanding the shelves. It comes in red and black. MSRP: \$119.99. For more information about Travel Tots and the JetPack, visit heys.com.

With the JetPack, packing and unpacking is a breeze, as is staying completely organized.
