REGENT SQUARE launches collection of luggage equipped with GOODYEAR wheels

January 15, 2019

REGENT SQUARE in collaboration with the world famous American multinational tire manufacturing company is excited to launch its new collection fully equipped with state-of-the art GOODYEAR wheels.

The new award-winning fashion product lines include RS-Code Collection. The collection is characterised by its contemporary colours palette, design aesthetics and iconic silhouette strengthened by contrasting elements and GOODYEAR ultra-silent wheels system. This statement collection featuring from built-in flat TSA lock and +25% additional capacity of expanding system is covered by the REGENT SQUARE 5 Year Warranty, and available in Burgundy, White, Black and Pacific Blue, in a 3 piece set (20", 24", 28"). MSRP: \$399

About REGENT SQUARE: Regent Square is an ambitious and truly international brand with design team based in Paris, offices in Hong Kong and London. Professionals in luggage business with total over 100 years of expertise united to provide great products with amazing design and exceptional customer support. Innovative and stylish, Regent square is reinventing a wholly modern fashion approach to luggage. We put our heart, soul and countless design hours into helping the world carry with greater durability and style. Every Regent Square suitcase is fitted with state-of-the art top quality Goodyear wheels. Regent Square is part of the Darton Group founded in 1982, a world class supply chain specialist, that owns a portfolio of powerful premium lifestyle brands presented in over 40 countries, with turnover of \$170m.
