

Free Your Power

Mighty, Tiny, and Safe Your new travel-friendly power companion

Minneapolis, MN. – February 1st, 2019 – Bracketron, an industry leader in universal mounts and accessories for mobile devices, announces the new Qdapter travel adapter.

Make traveling simple and Safe. With the Qdapter, you can safely adapt the local power source to work with your electronics and electrical appliances. It can be easily stored in your luggage or carry on. This adapter features a fully grounded system where you can connect your laptop, tablet, smartphone, camera and other portable electronics internationally without overheating.

The Qdapter also features a built-in high-speed USB charging port, so you can charge your smartphone while another device is plugged in. Travelers can go to over 120 countries with this adapter and use their grounded or ungrounded plugs safely. Everyone wants a reliable and secure travel adapter, the Qdapter went through rigorous testing to exceed the highest industry standards. Travelers can travel confidently with protection against shock, fire and overcharging. All products fully comply with all the international and local safety standards. The additional security will keep you worry-free and able to enjoy your next adventure. The Qdapter will be available in April at Bracketron.com for \$39.99.

QDAPTER USB EARTHED WORLD ADAPTER & USB CHARGER

TRAVEL TO OVER 120 COUNTRIES
