that let frequent flyers put their best foot forward for wherever their business takes them, adding efficiency and ease to travels. By Kathy Witt

The EASYSNAP® EcoErgo™ Basic 2 Pocket Travel Pillow by **Cixi Letu** is a memory foam travel pillow that compacts down into a handy pouch that can be tossed into a bag or brief. A FitNeck™ 2-Adjustable Strap ensures a perfect fit, and an AccesEasy™ Zipped Cover can be easily removed. The pillow works in concert with the airplane's adjustable headrest which provides sides while the pillow ergonomically supports the chin. It is available in 11 colors, including lavender, candlelight peach and moonless night, and two sizes – big (fits 14.125–16" neck) and slim (fits 13.25–15" neck). MSRP: \$29.90

For a little extra lumbar support for your chair in-flight or in the office, or a place to lay your head between business meetings or in a window seat, it's the Go Travel Hybrid Universal Pillow from **Design Go**. Combining the comfort of memory foam with the convenience of air, the pillow's plush memory foam top instantly molds to your contours and an inflatable base provides a support boost and personalized fit. Super versatile, it packs down to a quarter of its original size to fit in the palm of your hand, making it easy to pop in any size bag. MSRP: \$12.95

The generously sized, RFID protected Everly Organizer Clutch (9" x 11" x 0.75") from **LODIS** is fully padded for electronics protection and features a cord wrap and pockets for smartphone, glasses, pen, six business or credit cards, a slide pocket for a steno pad and zip pocket for cash and/or personal items. It is great for keeping a large tote bag organized or as a handy way to make sure all your business essentials make it with you to a meeting down the hall. MSRP: \$108

Whether you are working at the office or jet setting to your next business meeting, **Dr. Segal's** collection of stylish compression socks, including Everyday Energy Socks with 15-20mmHg True Graduated Compression, provide effective relief for tired, achy, swollen legs. In a selection of trendy and colorful designs – like black confetti, teal and striped blue – the socks are a must-have travel accessory. Wearing compression socks when traveling long distances decreases and prevents leg pain, swelling and blood clot risk caused by being in cramped conditions where movement is limited. MSRP: \$29.99/pair

Let's face it... even with all of our fancy travel cases and toiletry bags, we still end up using resealable plastic bags to store and organize many of our travel items, such as cosmetics, snacks, electronics, jewelry and other items. **Miamica** now has a practical and fun storage solution: Bubble Resealables. These reusable bags meet carry-on regulations, protect valuables while on the go and feature an easy fastener to open and close. MSRP: \$10/set of three

**mumi's** packing cubes are made to make your travel and day-to-day life more organized. With the Packing Bundle travelers can achieve maximized organization with five packing cubes, three toiletry cubes, two shoe bags and one laundry bag. From the start to the end of your trip, stay on top of your laundry and keep those dirty clothes and shoes separated from everything else in your suitcase. Available in eight colors and a personalized option for everyone in the family, the set is perfect for any jetsetter. MSRP: \$122

Ensure easy organized grooming with **ROYCE New York's** Double Zippered Toiletry Bag, handcrafted in leather and sized at a compact 7.75" x 4.5" x 5". Carefully designed for uncompromising functionality, this bag features a spacious interior for storing all your grooming needs and a water-resistant interior fabric to ensure leaks and spills remain contained. MSRP: \$225

Keep your readers close with a sleek and stylish Metal Finish Pod (MSRP: \$24.95) or Silver Keychain Case (\$24.95). The pod comes in silver, gray, gold and rose gold; the keychain is available in black and silver. Both hold **ThinOptics** Readers' Headline glasses from its Classic Collection – slim, armless, lightweight and portable reading glasses. Combined with any ThinOptics case, the Headline glasses easily fit on the back of your phone or tablet, or easily slip into a pocket or purse.

An electronics travel case designed to protect and organize everything from large headphones to small cables, the **Thule Subterra PowerShuttle Plus** is sleek, spacious and built to last with durable materials, padding and YKK zippers. It protects large headphones along with a full kit of cables, adapters and other electronics in dedicated storage compartments. It charges your smartphone while keeping it accessible in the exterior pocket with cord pass-through and keeps all travel essentials efficiently organized and within reach of your airline seat pocket. MSRP: \$29.95

Savvy Travelers will love the highly functional **STEAM CLIP™** to get rid of wrinkles on packed clothing without use of the hotel iron. It works on all shower types and with all hotel hangers – even the pesky ball-top hanger. Made in the USA, STEAM CLIP is also a multi-tool that can be used as a smartphone stand, bottle opener, thread/tag cutter, ruler and clip to keep purse or jacket off the restroom floor at the airport. MSRP: \$12.88
